

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

April 11, 2008

Permit Number: OCRM-08-514-S
Permit ID: 62854

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: J E Younce
c/o Fetter Marine
3469 Hwy 905
Conway SC 29526

LOCATION: On and adjacent to Murrells Inlet Creek at 880 S Waccamaw Dr, Garden City, Georgetown County, South Carolina.
TMS#: 41-0112-057-00-00.

WORK: The work as proposed and shown on the attached plans consists of constructing a vinyl bulkhead. Specifically the applicant seeks to build a 60' long replacement bulkhead 18" channelward of the existing bulkhead. The preexisting dock and floating dock will be removed and then replaced after the work has been completed. The project is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

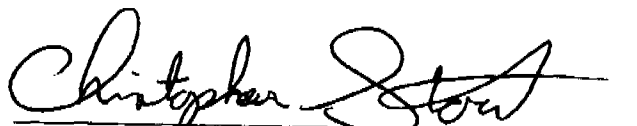

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

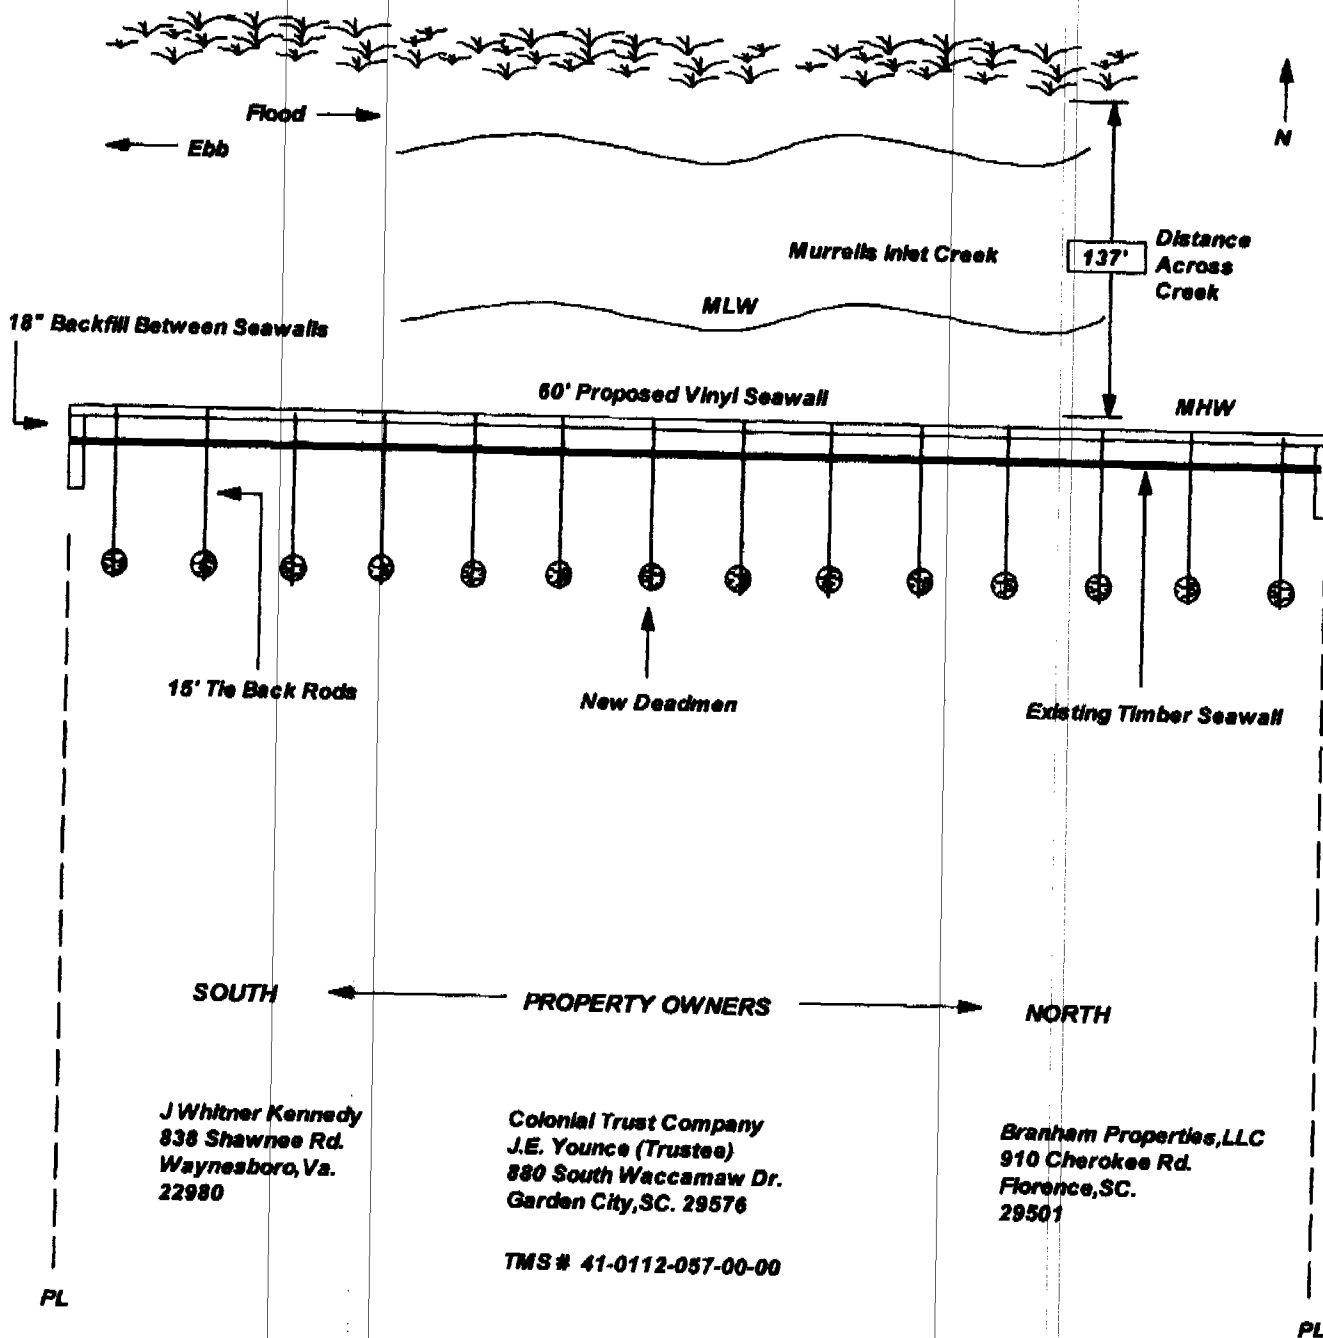

To assure review by OCRM, comments regarding this application must be received by OCRM on or before April 26, 2008. For further information please contact the project manager for this activity, Christopher Stout at 843-238-4528.
